PERSONAL SUMMARY

Meticulous developer with 2 years of learning and working experience in Frontend Development. I create smooth and responsive websites, and I strongly believe in the mobile-first approach which I always work towards in my works. I have good knowledge of Frontend Web Development using development tools such as HTML, CSS, and JavaScript ES6+. I'm proficient in modern Frameworks/Libraries such as Tailwind, Material-UI, Styled-component, and React (with Redux). I'm currently learning Next.js to improve my frontend skills.

TECHNICAL SKILLS

- Frontend Skills: HTML5, CSS3 (SASS), Tailwind, Material-UI, Styled-component, JavaScript ES6+, React, Redux, Git.
- Tools: VS-Code, GitHub, Gitbucket, Jira, Slack.

EXPERIENCE

Frontend Developer, Digiscript

Oct. 2021 – Present

Junior Developer (Volunteer Position)

- Implementing frontend features of multiple web projects
- Collaborating with other developers and designers to execute client's projects
- Report daily to the CTO on the progress of each project

Frontend Developer, HNG (zuri)

Aug. 2021 – Oct. 2021

Internship

- Worked in a team where I was a sub-team lead for the frontend team in charge of implementing the UI
- Responsible for assigning tasks to other frontend developers in my team
- Provided detailed feedbacks to other developers on each task given to them
- Communicated with other sub-teams within the project group
- I was one of the maintainers of the project's codebase and GitHub activities for the group

ACADEMIC QUALIFICATIONS

B. Sc. (Hons) Chemical Engineering

Obafemi Awolowo University (OAU), Ile-Ife

2015 – 2020

LEADERSHIP EXPERIENCE

Project Coordinator and Team Captain, Society of Petroleum Engineers (SPE), OAU Chapter

Apr. 2019 – Mar. 2020

- Organized petroleum classes, trained students who had interest in petroleum engineering and selected the best of them that represented SPEOAU Chapter at the 2020 Annual SPE Students Technical Exhibition and Symposium (STSE).
- Led the team at the competition. The team came 1st for the first time and also became the first team from a non-petroleum school to win the competition.

Financial Secretary, Faculty of Technology Muslim Students' Association (FATEMSA)

Apr. 2019 – Nov. 2019

- Represented the Association in financial transactions in conjunction with the Executives
- Kept records of the spending and financial transactions of the Association
- Was a signatory to the account of the Association in conjunction with the Main Coordinator

Team Captain, Society of Petroleum Engineers (SPE), OAU Chapter

Feb. 2018

- Led SPEOAU team that contested in the Petroquiz Competition at the Annual SPE Students Technical Exhibition and Symposium (STSE). The team came 3rd and became the first SPEOAU team that qualified for the International Petrobowl Championship.
